## **McCoy Global Announces Formation of Strategy and Capital Allocation Committee**

Edmonton, Alberta – **McCoy Global Inc.** (“McCoy” or “the Corporation”) (TSX:MCB) today announced that McCoy has formed a Strategy and Capital Allocation Committee of independent members of the Board of Directors of the Corporation (“the Committee”), comprising Mr. Alex Ryzhikov (Chair of the Committee), Ms. Katherine Demuth, Mr. Cory Janssen and Mr. John Walker. The mandate of the Committee is to, among other things, assist the Corporation in executing on its Board approved strategic plan that aims to further improve the Corporation’s full-cycle returns on invested capital through a range of organic and inorganic initiatives.

In conjunction with the formation of the Committee, the Corporation’s Board of Directors approved a Directors’ Performance Share Unit plan (“the Plan”) for its independent directors to promote alignment with the longer-term interests of the Corporation and its shareholders. The Plan is cash settled and contains a payout multiplier of up to four times, based on total shareholder return on the common shares of the Corporation. With his appointment to the Committee, the Chair of the Committee was awarded Performance Share Units vesting December 31, 2025, with a maximum payout multiplier of four times triggered if the Corporation’s 20-day volume weighted average price as at December 31, 2025 exceeds \$4.00 per share.

### **Forward-Looking Information**

*This News Release contains forward looking statements and forward looking information (collectively referred to herein as “forward looking statements”) within the meaning of applicable Canadian securities laws. All statements other than statements of present or historical fact are forward looking statements. Forward looking information is often, but not always, identified by the use of words such as “could”, “should”, “can”, “anticipate”, “expect”, “objective”, “ongoing”, “believe”, “will”, “may”, “projected”, “plan”, “sustain”, “continues”, “strategy”, “potential”, “projects”, “grow”, “take advantage”, “estimate”, “well positioned” or similar words suggesting future outcomes. This New Release contains forward looking statements respecting the business opportunities for the Corporation that are based on the views of management of the Corporation and current and anticipated market conditions; and the perceived benefits of the growth strategy and operating strategy of the Corporation are based upon the financial and operating attributes of the Corporation as at the date hereof, as well as the anticipated operating and financial results. Forward looking statements regarding the Corporation are based on certain key expectations and assumptions of the Corporation concerning anticipated financial performance, business prospects, strategies, the sufficiency of budgeted capital expenditures in carrying out planned activities, the availability and cost of labour and services and the ability to obtain financing on acceptable terms, which are subject to change based on market conditions and potential timing delays. Although management of the Corporation consider these assumptions to be reasonable based on information currently available to them, they may prove to be incorrect. By their very nature, forward looking statements involve inherent risks and uncertainties (both general and specific) and risks that forward looking statements will not be achieved. Undue reliance should not be placed on forward looking statements, as a number of important factors could cause the actual results to differ materially from the beliefs, plans, objectives, expectations, anticipations, estimates and intentions expressed in the forward looking statements, including inability to meet current and future obligations; inability to complete or effectively integrate strategic acquisitions; inability to implement the Corporation’s business strategy effectively; access to capital markets; fluctuations in oil and gas prices; fluctuations in capital expenditures of the Corporation’s target market; competition for, among other things, labour, capital, materials and customers; interest and currency exchange rates; technological developments; global political and economic conditions; global natural disasters or disease; and inability to attract and retain key personnel. Readers are cautioned that the foregoing list is not exhaustive. The reader is further cautioned that the preparation of financial statements in accordance with IFRS*

*requires management to make certain judgments and estimates that affect the reported amounts of assets, liabilities, revenues and expenses. These judgments and estimates may change, having either a negative or positive effect on net earnings as further information becomes available, and as the economic environment changes. The information contained in this News Release identifies additional factors that could affect the operating results and performance of the Corporation. We urge you to carefully consider those factors. The forward looking statements contained herein are expressly qualified in their entirety by this cautionary statement. The forward looking statements included in this News Release are made as of the date of this New Release and the Corporation does not undertake and is not obligated to publicly update such forward looking statements to reflect new information, subsequent events or otherwise unless so required by applicable securities laws.*
